

# ACS RF & Microwave Design Software

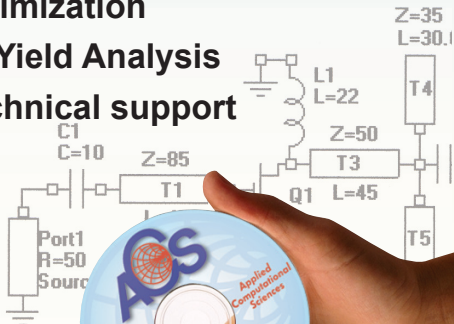

**Applied Computational Sciences**

**[www.appliedmicrowave.com](http://www.appliedmicrowave.com)**

- Exact Circuit Synthesis
  - Accurate Simulation
  - Powerful Optimization
  - Statistical Yield Analysis
  - Free Technical support

**Complete design suites for under \$1k!**

Check Web for Latest Specials

**LINC2™** From ACS

**Powerful ••• Accurate ••• Affordable**

**To order, contact: [www.appliedmicrowave.com](http://www.appliedmicrowave.com)**
